Vulcan Legionnaires Split Opening League Games

EDMONTON REPORT

By Donald F. Smith
Special Correspondent

EDMONTON: The pace of activity under the dome in Alberta's legislative building showed noticeable signs of increase last week and probably will continue on the up-grade to reach a climax with the opening of the regular 1954 session of the legislature.

An order-in-council was signed during the week setting the date of opening as Feb. 18. Advertisements will be appearing in the newspapers pointing out that private bills must be in the hands of the government at least 10 days before the session begins.

Other activity included the cabinet appointments. Robt. Daniel Jorgenson, 59-year-old president of the Alberta Social Credit League for 14 consecutive years, is the province's new public welfare minister. This job was held for a year by Hon. Leonard C. Halmrast, who now is the new agriculture minister, succeeding Hon. David A. Ure, who was killed in a pre-Christmas traffic accident on the highway east of Edmonton.

Jorgenson, MLA since 1944 for the constituency of Pembina, which lies north of Edmonton, really knows the province upside down and backwards, having travelled its length and breadth as one of the Social Credit's main organizers. His interest in the party dates back to its beginnings.

At the time Mr. Aberhart swept into power, the new welfare minister was active in the party organization in Pembina riding and continued through the years to hold various posts until his election in 1940 to the full-time post as president of the provincial organization.

His main calling prior to 1940 was that of general storekeeper at Dapp, a small centre just north of Hestlock. He also drove oxen as a youth, served in the United States Marine Corps and was an employee in a Westlock store.

While the appointment of Mr. Jorgenson, possibly logical in retrospect, took some so-called political observers by surprise, a greater number were prepared to bet on the shift for Mr. Halmrast on the basis of a workman-like and conscientious job in the welfare department.

The 54-year-old sheepman-turned-cattle-rancher represents the constituency of Warner in southern Alberta, where he first was named to the legislature in a by-election in 1945. Turning from a successful sheep-raising venture about five years ago, he now has a herd of about 100 head of Hereford stock on 2,000 acres of pasture and farms another 1,120 acres.

Mr. Jorgenson will not be alone in making his maiden appearance in the front benches of the government ranks in the forthcoming session. He will be joined by Hon. Norman A. Willmore, MLA for Edson, who was appointed minister of industries and labor in November following the death of Hon. Dr. J. L. Robinson in October.

A by-election in the late Dr. Robinson's riding of Medicine Hat resulted in the easy election of his wife, Liberal and Progressive-Conservative parties declined to name candidates and Mrs. Robinson was opposed only by a CCF nominee.

Indications are that the Red Deer seat, which was held by the late Mr. Ure, will not go uncontested in a by-election expected to be called at any time. It is said here that the Social Credit organization in the constituency is far from strong member-wise and while the same is probably true of the other parties, the Conservatives may have a slight edge as Red Deer is the home of that party's provincial president.

A by-election for Red Deer will have to be called soon. According to present interpretations of legislative acts, a single-member constituency cannot go unrepresented at a session if it is possible to have a member attend.

Officials say the minimum time within which a member can be elected is 54 days from the time the by-election is called until the returning officer can officially declare the results and the election of

Vulcan 11, Claresholm 6

In the first game of the 1953-54 season at the Vulcan Arena, the Vulcan Legionnaires defeated Claresholm by a score of 11-6 in a Foot-Hill Senior Hockey League fixture Sunday afternoon, before a good sized crowd of fans. It was a fast and thrilling game despite the fact that it was the first game of the winter for both teams. All players were noticeably fatigued in the third frame. Calwell sparked his team mates' win with 5 goals and one assist. Gorbous got 3 goals and one assist. Garvin, new Vulcan net mender turned in a good performance.

Okotoks 5, Vulcan 4

Local hockey fans were given a real treat Monday night when the Okotoks Flyers defeated the Vulcan Legionnaires 5-4 in a Foot-Hill Senior Hockey League fixture in the Vulcan arena.

The game was fast and featured good teamwork. The Vulcan sextet showed some effects from their opening game of the year, the previous day. Okotoks gained a two to one lead in the first period. Each team scored once in the second and each twice in the final frame. Vulcan threatened to score the tying goal several times in the closing minutes. A good crowd attended. Okotoks: Miller, Cooper, Cameron, Van Tighem, Hanwell, Thompson, McLean, Rarrick, Murray, McKay, Pashak, Birkett, T. Pashak and Hetherington.

Vulcan: Garvin, Dann, Franks, Goring, Pruden, P. Walker, Gorbous, B. Calwell, Hunter, Kehr, Buehler, Mitchell, Larkins and A. Walker.

Goal Summary:

Third Period: Okotoks, Rarrick from W. Pashak; Okotoks, Hanwell from McKay; Vulcan, Hunter from Pruden; Vulcan, Calwell from Gorbous.

Penalties: Buehler drew three minors, Pruden received a minor and a major penalty and W. Pashak, Franks, Larkins, Murray and Van Tighem each drew a minor, while Cooper drew two minors.

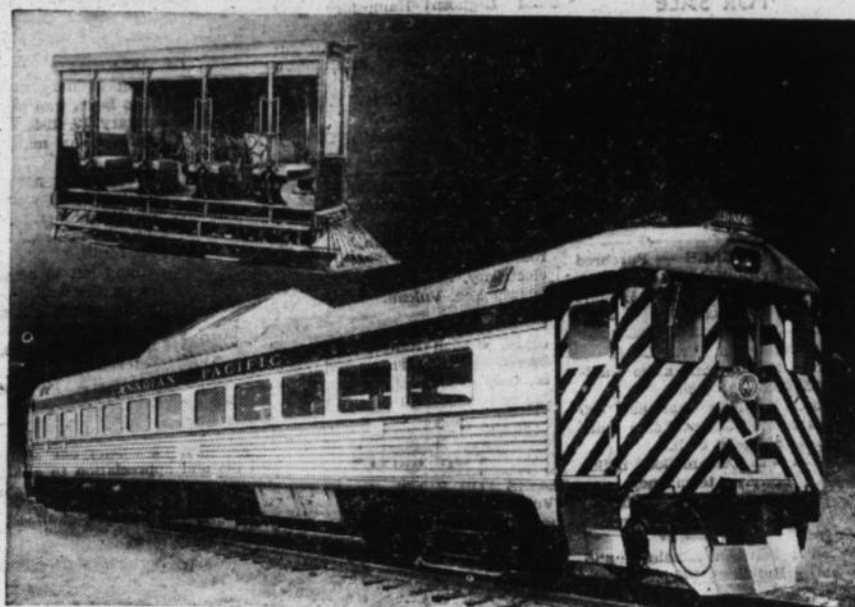

Firearms Must Be Re-registered

The following announcement has been received from the local R.C. M.P. office and is published for the information of all concerned.

"The Laws of Canada require that every person, with exception of Wholesale and Retail Dealers,

the successful candidate. So that even if the election is called immediately, Red Deer will not be officially represented in the house until part way through the session. Of course, the member-elect will be able to sit in at the session but will not have a vote or voice in the proceedings until the end of the 54-day period.

In July the Canadian labor force reached the record size of 5,515,000 workers.

TRANSITION

A little more than 50 years ago, the Canadian Pacific Railway introduced to Canadians their first internal combustion self-propelled rail car (inset).

Recently, the C.P.R. placed in service four of the very latest in self-propelled cars—the Budd RD C's. Patterned along "Toonerville

Trolley" lines, the old gasoline-powered, single truck rail car was 13 feet long and carried 14 passengers. Today's 90-foot Budd car carries 89 persons and is air-conditioned. Old 502, the first of the breed in Canada, was also air-conditioned, but in a primitive sort of way—she had open sides. Unimpressive as the old car was,

she can still lay claim to being the forerunner of the modern, stainless steel, streamlined rail diesel cars which today are providing service between Montreal and Mont Laurier, Toronto and Detroit and North Bay and Angliers. The original rail car, built in 1902, operated from Montreal's old Place Viger Station to Ste. Therese.

Armada-Lomond Couple United

The Vulcan United Church was the scene of a pretty wedding of special interest in the Armada-Lomond district, Saturday, Dec. 5 when Edith Wilma (Hanson), daughter of Mr. William Tyler, Lomond, was united in marriage with Arnold George Boe, son of Mr. and Mrs. Chris Boe, Vulcan, formerly of Armada. Rev. J. S. Clark officiated.

Given in marriage by her father, the bride entered the church to the strains of Lohengrin's Wedding March, played by Mrs. J. S. Clarke. Her waltz-length gown was of white nylon net over blush pink taffeta, and her chapel veil misted from a dainty bonnet headdress. She carried a bouquet of Tallinn roses, in the form of a cross, with wide satin streamers and her only jewellery was a double strand pearl necklace and earrings to match, a gift of the groom.

Attending the bride was Mrs. Christine Mason, as matron of honor, Miss Margaret Hanson, bridesmaid and little Lynell Fulton as flower girl.

Mrs. Mason and Miss Hanson were attired in similar waltz-length gowns of nylon net and taffeta, with the former choosing one of pastel green and the latter one

must register all revolvers, pistols and fully automatic firearms in his possession. This does not include the ordinary type of rifle, shotgun or air gun.

"It is also required that any person, with the above exception, wishing to purchase a revolver or pistol, or to receive it into his possession by gift, loan, or any other means, must first obtain the necessary authority to do so from his local Police Department before receiving the firearm.

"In accordance with amendments to the Criminal Code of Canada, a new type of Firearms Registration Certificate has been in effect since January 1st, 1952. For the purpose of re-registration on this new type Certificate, registered owners are now requested to forward all copies of Certificates in their possession bearing date of issue prior to 1952 to The Commissioner, Royal Canadian Mounted Police, Ottawa, Ontario.

Attention: Identification Branch. "In the event that copies of Certificates have become lost or mislaid, it is requested that the registered owner submit the descriptions of the firearms in his possession by letter, quoting the Make of Firearm, Calibre, Serial Number, Number of Shots, and Barrel Length."

Mixed Bonspiel Opens Curling

Vulcan's delayed curling season got off to a start this week with a mixed bonspiel. Forty-two rinks are entered and the 'spiel is expected to be finished about Friday.

Meanwhile, four Vulcan rinks are taking part in the annual Foot Hills bonspiel being held at Nanton this week. Vulcan skips are Harris Matlock, Jim Jensen, Evan Munro and John Wolfe Jr. Reports indicate that at least one or two of the Vulcan rinks should be among the prize-winners.

Keystone Class

Mrs. Bud Schneider was hostess to the January meeting of the Keystone Missionary Class of the Church of Christ last week. Fifteen members and one visitor attended same. Hymns were sung and scriptures read. It was announced that a Fellowship Supper would be held at the Church on January 15, also that the Annual Meeting for presentation of reports of the work done during the year would be held on January 18. Mrs. E. G. Hansell sang a solo. Mr. Joe Early of Peace River was the guest speaker for the afternoon and gave

Palmer Boys Take Boxing Honors on Lethbridge Card

(By Champion Correspondent)

Three boys from the Champion Boxing Club competed in the Lethbridge Civic Centre, on Friday, Jan. 8. Tommy Palmer, Diamond Belt Champ at the Vancouver Golden Gloves tourney last year, gave Neil McKenna, 1950 Dominion Amateur Welterweight champion, a rude reception by taking the three-round main event decision. The Centre was well filled with fans who roared their approval when these two favorites appeared in the ring, and the general opinion was it was Palmer's fight all the way.

In the semi-windup another Palmer from the Champion Club, Buddy, took top honors. Buddy, also a Diamond Belt Champion at the 1953 Vancouver Golden Gloves, fancy-stepped his way to a win over Lethbridge's Bill Hillman in the 126 lb. class. Palmer piled up his points with three piston-like punches that felled Hillman each time. Although Hillman put up a tough fight he was out-classed all the way.

Doug Patterson, with little experience, lost to Bryce Summerfeldt, of Cardston. Summerfeldt, who has had far more experience, bombed away with everything he had at the game Patterson and put Patterson down in the second round for an eight-count and again in the third and final frame left loose with a staggering barrage that felled Patterson again.

Rescind Motion To Sell Area For Drive-in Theatre

At the regular town council meeting held Monday evening of this week, council rescinded a motion passed in August whereby they had accepted, subject to approval by the Town Planning Commission an offer made by C. R. Robson to purchase the triangular area in the golf course sub-division for the purpose of constructing a drive-in theatre.

Since the original motion was passed, according to information given the Advocate, "the plan for the new sub-division has been registered by the Land Titles Office and titles issued to the Town of Vulcan, but inasmuch as the Park Areas therein are vested in the Crown, neither the council nor the council with the approval of the ratepayers have the authority to dispose of the property."

(Part of the property in question had been designated as park areas in the sub-division plan).

Early Call For Fire Department

The fire siren brought many citizens out of their beds at 2:30 a.m. last Friday to answer a call to the house of Mr. and Mrs. Percy Clark.

Mr. Clark had awakened to find the house full of smoke. Answering the alarm, members of the fire department found that the smoke exit in the furnace had become clogged with soot, forcing the flame and smoke of the oil-burning furnace out of the firebox and creating a dangerous situation. There was no damage, other than from smoke.

Superintendent To Address H & S

The Vulcan Home and School will meet on Tuesday, Jan. 19 at 8 p.m. in the Cottage school. The theme of the meeting will be "Adult Education." The speaker of the evening will be A. Schrag, Supervisor of the County Schools. Additional entertainment is to be brought by Miss Betty Hansell, one of the High School Students; also a spelling contest between chosen teams should prove interesting. Mrs. Roebuck and her committee will serve lunch.

a fine devotional on "Paul." Mrs. J. Chapman closed the meeting with prayer. A lovely lunch was served by the hostess for which a hearty vote of thanks was given. The February meeting will be held at Mrs. Boose's home.

Healy - Brett Wedding Rites

A recent wedding of interest took place in Calgary in the chapel of the Central United Church, when Dorothy, daughter of Mr. and Mrs. Albert Brett, was united in marriage to Robert Healy, son of Mr. and Mrs. Lorne Healy. The ceremony was performed by Rev. Dr. G. B. Switzer.

Given in marriage by her father, the bride wore a gown of white lace and tulle with fitted lace bodice and fingertip veil. She carried a bouquet of red roses and white carnations.

Miss Ruth Brett was bridesmaid. Her gown was of yellow tulle and lace and she carried a bouquet of blue carnations. Lee Blacwell was groomsmen and ushers were Keith Healy and Martin Brett. Mrs. J. Shortt of Vulcan played the wedding music.

A reception was held at the home of the bride's parents, with decorations of white streamers and holly, with red carnations and white mums. The table was centred with a three-tiered wedding cake. The toast to the bride was proposed by Mr. Blackwell.

The young couple remained in Calgary for a few days before returning to Vulcan to reside on the farm east of town.

Legion Curlers Win First Round

A rink of curlers representing the Vulcan Branch of the Canada Legion won the zone playdown at Fort Macleod last Sunday, defeating rinks from Nanton, Staveland and Macleod in a round robin elimination. The Vulcan rink, composed of Harris Matlock (skip), Howard Speth (third), Gale Atkinson (second) and Charlie Fulton (lead) won every game played.

The Vulcan rink will next compete in the Southern Alberta district playdown at Lethbridge next Sunday, and the rink winning this playdown will compete against other provincial district teams for the Legion's provincial championship.

Last winter the Vulcan Legion rink, skipped by C. J. Robinson, won the provincial Legion championship, but lost to Saskatchewan in the inter-provincial playoff.

To Choose District Candidate For "UN Pilgrimage"

Arrangements are now being made for a public speaking contest between candidates from Vulcan and from Milo to choose a candidate who will represent this area in the Zone 1 final contest to choose a delegate to the "United Nations Pilgrimage For Youth."

The time and place of the contest will be announced at a later date, when all the applications are in.

Those wishing to enter the contest are asked to contact the IOOF Lodge or the school principal in Vulcan or in Milo. The delegate chosen to represent Zone 1 will have all expenses paid on a trip to New York, where he or she will spend six days as one of a group of young people observing the United Nations in action.

Modernization of Skating Rink Well Under Way

Further progress has been made this year in the modernization of the Vulcan Arena.

During the past two years the wiring has been brought up to standard and this fall the first steps were taken to install proper plumbing and heating. When completed, this program will eliminate the use of heaters in each room and thereby reduce the fire hazard. At the same time, modern washroom facilities are being installed and also a hot water tank to provide a faster method of making better ice.

The rink committee has been assisted by many public-spirited citizens in the actual work and Bud Haverty, the members of the Legionnaires hockey team and its executive have been particularly generous with their time.

Skating Club To Plan Activities

The Skating Club, now ready for another season's activities, extend congratulations to the seven Vulcan girls who passed their elementary figure skating tests in Lethbridge last Spring. These girls, Colleen Haverty, Helen Haverty, Louise Loucks, Kathleen Haverty, Cleo Robinson, Marjorie Robinson and Sherry Haydamack, also took part in the carnival at Vulcan.

A very active season is anticipated this year and the club is interested in anyone who would care to take the skating tests. A meeting of parents has been called for Friday, Jan. 15 at 7:30 p.m. in the curling rink lounge, when plans for the season and for the carnival will be discussed.

The executive of the skating club is as follows: President, Phil Lucas; vice-president, Budd Andrews; Secretary, Olive Luky; Treasurer, Darrel Maisey.

Only about one-seventh of Canada's land is suitable for agriculture.

The Unpopular Man

An unpopular man these days is he who neglects to shovel the snow off the sidewalk fronting his house. There might be eight houses in a block, seven of them with nicely cleaned walks, but if the eighth householder fails to clean his sidewalk the effort of the others has practically been wasted.

One short stretch of snow-blocked sidewalk forces school children and other pedestrians to keep to the road, rather than on the walk. Slippery streets, cars and pedestrians, nicely mixed together, form a recipe that is eventually going to result in a serious accident.

In Calgary and other cities, householders who fail to clean off their sidewalks within 24 hours after a snowfall have the job done for them by the city with the sticker that the cost of cleaning the walk is added to their tax bill. We don't particularly recommend such a drastic measure here in Vulcan or in the other towns within the county, but we do think that sidewalks should be cleaned off. If the householder is physically unable to do the job himself it is no great expense to arrange with a school lad to do the job after school. Pressure on the slacker by the other residents in the block might help, too.

Comparing Political Systems

Surveying the political scene in the United States from the cool confines of Canada one cannot help being amazed at the complications of the set-up. It is difficult to determine the real leadership and the centre of political power in that country, as Clement Atlee, the British parliamentarian, once remarked.

Mr. Eisenhower is president but he has to work with congress, while being outside thereof. He has to keep his own followers in line and also appease the opposing Democrats.

There is an election for congressmen and representatives every two years so the political pot must be kept in a constant boil. Neither those who are elected, nor the electorate, are permitted to enjoy a term of political truce and peace.

Maybe that system provides for pure democracy, but at this distance it looks more like pure pandemonium!

In Canada the federal government is allowed a life of five years. The general practice is to call an election well within that limitation.

Each party picks a leader who will be prime minister if that group attains power. He sits "at the head of the table" in parliament with his ministers alongside. He leads the cabinet which, along with the private members decide government policy. The duty of the opposition is to find flaws in that policy and pursue a course calculated to keep the government from straying from the "straight and narrow path," and in touch with public opinion.

Between elections there is a complete let-down of political activities. Party organizations become more or less dormant. The public is not plagued with incessant political campaigns.

The centre of power is well established. The government has ample time to prove the value or otherwise of its policies over a reasonable period. If it falls into disrepute, and other parties gain important power in bye-elections, it may be defeated in a vote on an important issue before parliament, and an election must be held forthwith.

Canadians much prefer their simplified and effective form of democratic government to the complicated and confusing system prevailing in the United States.

Mossleigh News

Piehl - Brown

The Mossleigh United Church was the scene of a recent wedding when Edna Mae Brown, only daughter of Mr. and Mrs. Lloyd Brown of Mossleigh, became the bride of Loring Piehl, only son of Mr. and Mrs. Adolph Piehl of Shaunavon, Sask. Rev. N. R. Jackson officiated at the ceremony.

This was also the 39th wedding anniversary of the groom's parents.

The bride, given in marriage by her father wore a full length gown of white nylon net over satin. The lace bodice featured a net yoke and puffed sleeves. Her veil of illusion net fell from a sweetheart crown with orange blossoms. Her only jewellery was the rhinestone necklace and earrings of her grandmother. Net mitts and silver sandals completed the ensemble.

She carried a bouquet of sweet-heart roses.

The bride's attendants were Mrs. Lilian Wilson as matron-of-honor, and Misses Pauline Androssoff and Eileen Powles as bridesmaids.

The matron of honor wore a gown of yellow taffeta and net featuring a bolero of lace.

The bridesmaids were attired in gowns of yellow and green taffeta and net with boleros. They carried bouquets of mauve, pink and Kolomo carnations.

The groom was attended by Hugh Wilson. The ushers were Ronnie Brown, brother of the bride, and Jerry Wyllie, cousin of the bride. During the signing of the register, Jerry Wyllie sang "The Wedding Prayer." Miss Paula Randle was pianist.

The bride's mother wore a navy

No words of ours can tell;
The parting was so sudden,
Not even a last farewell."

His talks, his walks and how he'd play,
But now that he has passed away
His smiles, nor cries, we'll hear or see
Our love for him will always be.

Those dreams we had in ruins lie,
But one thing still remains for thee,
A never-forgotten memory.

IN MEMORIAM

LOVE: In loving memory of my father, Thomas Love, who passed away on January 12, 1946.

The years may wipe out many things,

But this they'll wipe out never,
The memory of those happy days
When we were all together.

We think of him in silence,
His name we oft recall,
But there's nothing left to answer
But his picture on the wall.

Just when his life was brightest,
Just when his hopes were best,
God called him from among us,
To a home of eternal rest.

—Ever remembered by his daughter.

CARD OF THANKS

Cattle in Feed Lots

During this season, farm and some of the urban people too, are interested in knowing something about how the cattle feeding operations across the country are progressing. People are interested in knowing some of the facts about this phase of Agricultural endeavour, first in relation to farm practice and economics and second as an indication of beef supplies.

The following information concerning feed-lot operations was recently received from the council of Canadian Beef Producers (Western Section).

Canadian feed-lots have more beef cattle on fattening rations while in the United States there are fewer cattle on feed than at this season one year ago. With a record stockpile of grain and roughage feeds on Canadian farms, the cattle being fattened in this country appear to outnumber similar stock of last year by 20 percent, according to an estimate by the Council of Canadian Beef Producers (Western Section). Hence supplies of the highest quality of beef for the first half of 1954 are assured.

Judging from federal government figures covering feeder cattle shipments from public stockyards and packing plants to country points and from country points in one province to country points in another province, the all-Canadian movement after the first of October has been close to 30 percent above the corresponding months in 1952.

Of recorded shipments of 39,979 feeder cattle in the month of November, 1953, the largest number or about 46 percent of the total, went to the order of Ontario cattlemen. Alberta cattle feeders were second with about 36 percent of the feeder stock taken and Saskatchewan was third at 9 percent.

In the United States, the decrease in number of cattle placed on feed this season is fairly general, it being reported specifically that the movement of feeder cattle

into the cornbelt states during the fall months is "considerably below the volume moved a year earlier."

What many buildings are really made of...

When you look at any building in which life insurance dollars have been invested, you may see only bricks and mortar. But these buildings are really fashioned out of many different people's dreams.

What dreams? Perhaps a father's hope of sending his boy to college some day. Or a school teacher's goal of a trip to Europe. Or someone's plan to pay off a mortgage, buy a farm, or retire at 65.

Out of such dreams many different kinds of buildings are constructed all over the nation. Schools, stores, office buildings, homes, hotels, power plants, factories—these are some of the useful structures created with the aid of money which life insurance companies invest for their policyholders.

So, if you are a life insurance policyholder, remember... while you're working to make your dreams come true... while you're providing for your family's security... you're also helping to make Canada a better land to live in!

District News

EASTWAY

Mr. and Mrs. Harold Hellevang and boys of Calgary spent last weekend with Mr. and Mrs. Jim Murphy.

Mrs. Dick Brodrick is visiting this week with her mother in Edmonton.

Oscar Hellevang left Sunday by plane for Toronto. On the way back he will tour through the United States.

Calgary visitors this week include Orlo Doane and Orle, Mr. and Mrs. Harry Washburn, Pat Laughlin and Darryl and Ed Baldwin.

Mrs. Cockwill has returned from a much enjoyed two months visit in Sarnia, Ont. with relatives.

The Jr. FUA met at the home of Norman Marshall Monday evening. Mr. and Mrs. Joe Bailey of Granum visited at the R. N. Hill home last week.

Miss Peggy Anderson of the nursing staff at Vulcan spent a few days with Mrs. Eunice Cockwill this week.

Howard Tharlie was a business visitor to Nanton last week.

Mr. and Mrs. Lloyd Bates and family of Calgary visited last week end at the home of Frank Bates.

Mr. and Mrs. Stuart Campbell entertained a number of relatives last Saturday, the occasion being the wedding anniversary of the former's parents.

Ian Fisher of Calgary was a weekend visitor at the Howard Tharlie home.

Mr. and Mrs. Mel Burgess and Mr. and Mrs. Billy Burgess attended a birthday dinner at the home of Mr. and Mrs. Glen Dahl in honor of Mrs. Alma Burgess' birthday on Saturday evening.

Shirley Burgess spent the week end in Vulcan as the guest of Pat sy Robertson.

The Social Club held at Ruby Wyatt's on Tuesday was well attended, with 20 ladies present. Arrangements were made pertaining to the serving of lunch at the Ole Rushfeldt sale. The ladies received \$5 from the FUA juniors for the use of the hall. There is to be a card party held on Feb. 10, "500" and court whist being played. New Sunshine Friends for the year were drawn. The contest was won by Gladys Rushfeldt and the raffle by Mabel Gooch. A nice lunch was served by the hostess, assisted by Eva Fleming.

Jim Fleming is taking part in the fishing at Lake McGregor.

BERRYWATER

Berrywater FWUA and FUA entertained the locals of Red Cross FUA on Friday, Jan. 8 to an evening of cards. The party being the result of a challenge membership drive between the two districts.

Berrywater were the losers of the drive. Owing to poor weather on the date, the turnout was not as good as anticipated. However, there were 7 tables of 500 players and all seemed to enjoy a very pleasant evening. Those taking home prizes were: Ladies 1st, Johnny Webber (playing as a lady); Ladies' 2nd, Mrs. T. Webber, both

of Berrywater. Gents' 1st, Neil Giles; Gents' 2nd George Fulton of Red Cross.

Missed from last week's news was a report on the annual Christmas Party, put on by the Berrywater FWUA to entertain the folks of the district both young and old. The party was held at the home of Mr. and Mrs. D. B. Smith, on Dec. 30 with some 40 adults and a good turnout of kiddies, was much enjoyed by all. Mrs. Muriel Smith, Stan and Lloyd Wickstrom acting as leaders in games and entertainment kept the party well enlivened with fun and merriment.

An exchange of gifts took place between the ladies and gentlemen and Santa distributed gifts to the children from a nicely decorated tree. Later a bounteous dinner was served consisting of a turkey plate with all the trimmings. Many thanks are extended to the host and hostess and also to those working on the committees for a very happy party.

Mr. and Mrs. Harold Hellevang of Calgary were Monday visitors at the T. Webber home.

Mrs. Lloyd Richardson has been a visitor at the home of her daughter and son-in-law, Mr. and Mrs. C. Sheehy in Calgary for the past week.

Mr. and Mrs. H. C. Douglass spent the weekend with friends at Whitlaw, Mr. and Mrs. Peter Blanchard.

Stuart Douglass accompanied by Miss Donna Ditto motored from Edmonton to Lethbridge Friday to participate in the fight card, but arrived 10 minutes too late to start and returned to Edmonton on Sunday.

MILO

The Queenstown-Milo branch of the Canadian Legion will be canvassing the districts in the drive for funds to help fight Polio. A. Hellevang is your Milo representative and assisting him in the canvass will be Bob Monner, Tom Webber Jr. and Mr. Symes from Queenstown. All contributions towards this campaign will be gratefully accepted.

Congratulations to Mr. and Mrs. Chester Anderson on the birth of a son on Dec. 31. Also to Mr. and Mrs. Floyd Winch on the birth of a daughter on Jan. 8 at the Grace Maternity hospital in Calgary.

A New Years Day guest of Mr. and Mrs. Ray Gerding was R. K. Dawson of Conrad.

Recent guests of Mr. and Mrs. Lewis Ivers were Mr. and Mrs. Norman Giles from Edmonton.

Karen Quigley has returned to Edmonton after visiting her grand mother and other relations over the Christmas holidays.

Miss Joyce Dishaw has returned to Edmonton to resume her studies at the University of Alberta and Miss Jean Thomson has left for Vanderhoof, B.C. to resume her nursing duties after having visited their respective families over the holidays.

Sunday dinner guests at the home of Mr. and Mrs. Bob Urlich were Mr. and Mrs. Lawrence Phillips and Mr. and Mrs. Russell Glaze.

Friends will be sorry to learn that Mrs. Ralph Hall is a patient in the Vulcan hospital.

Visiting relatives here the past weekend were Johnny Stumpf, Coleen Phillips and Larry Fleming.

The Milo HSA held their first executive meeting of the New Year at the home of Mrs. Eva Ivers. Program material was outlined for the next general meeting. Blankets have been supplied for the sick cot at the school and tie-kets will be sold on a raffle of three other wool blankets. Proceeds will be used towards purchasing curtains for the window in the auditorium. Lunch was served by the hostess at the conclusion of the meeting.

The United Church ladies aid held their January meeting at the home of Mrs. Amy Northcott with Mrs. A. Armstrong and Mrs. L. Phillips assisting the hostess. There were 21 members present with the new executive conducting the meeting. Names of the respective Sunshine Friends were revealed and others chosen for the coming year. The date of future meetings has been changed to that of the first Friday of every month. Plans for a bazaar in the fall of the year were discussed. A congregational meeting and church service with Rev. Clarke from Vulcan present will be held on Sunday, Jan. 17. Church service will be at 7:30 p.m. the meeting to follow and lunch will be served by the aid. There will be no morning service this Sunday.

The Milo mixed bonspiel is now in progress with the men's open 'spiel commencing Monday, Jan. 18. Results will be printed next week.

The Milo Hockey Club is off to a good start this season. New uniforms and equipment have been purchased. Two games were played

ed between the married men and the single men. They tried? and tied both games. The game between Cluny and Milo Saturday evening resulted in Milo 1, Cluny 1. Sunday's game with Champion was Milo 6, Champion 6 with ten minutes overtime played to break the tie. However, both teams scored a goal in overtime. The last game played with Enchant resulted in a 7 to 1 score for Enchant. All these games have been played on Milo ice. Hockey support has been good so far and it is hoped this support will be carried through during the season. Those who can should support the games away from home, if at all possible.

ARROWWOOD

S. Hayes is in Vulcan hospital with a few cracked ribs after being kicked by a steer last week.

Mr. and Mrs. Gene Burris and family have returned to their home here after spending a few weeks visiting in California.

Mrs. F. Bertschy spent a few days visiting with her daughter, Mrs. V. Culp.

Curling is underway here at last so if any of you women folk want to know where your husband is—look at the curling rink—he'll be there.

Mr. and Mrs. Pete Brown and family were Sunday visitors at the home of Mr. and Mrs. M. Magnusson of Armada.

Miss Danelee Williams, who is attending school at Cluny, spent the weekend with her parents, Mr. and Mrs. Harold Williams.

Martin Miller of Seattle spent a few days visiting at the home of Mr. and Mrs. H. Williams.

Congratulations to Mr. and Mrs. Ken Watson on the birth of a son, Timothy in the Vulcan hospital, on January 10.

On Sunday an Arrowwood rink, consisting of Don Williams, Bert Setters, Dayton Williams and Clarence Arens took part in the Legion playoffs in Gleichen. However, they didn't do too well and the Bob Brown rink of Gleichen will represent this local at Olds next week.

The Arrowwood Athletic Association held their annual meeting last Thursday with a good show of men present. Election of officers took place. Those elected were: President, A. Brown; Secretary, G. Newby. Art Hoerle got the job as caretaker of the skating rink.

The Curling Club held their regular meeting on Friday. Sixteen rinks have joined up this far. The caretaker of the rink is C. Coulter. A number of local rinks are curling in the Mossleigh Bonspiel this week.

Mr. and Mrs. C. Arney have returned from Saskatchewan where they visited with Mr. and Mrs. Gates. Mr. Gates underwent an operation while they were there and is doing well.

Mr. and Mrs. F. Hall, on behalf of the inmates and staff of the Salvation Army Eveatide Home at Gleichen, wish to thank the people of Arrowwood for remembering them at Christmas. Seventy-four ties, four shirts and four boxes of oranges were delivered to them at the time.

Longevity: At June 1, 1952, Canada had 8,000 women and 5,400 men of 90 or more years.

The trend toward replacement of leather by synthetic products as footwear soiling continued in Canada during 1952.
